

'All Together Every Day, Partnership in Every Way'

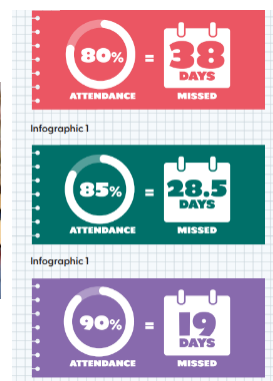

June 2025

Dear Parent/Carer,

Thank you for taking on board our request to avoid visits to the office between 9-9.30 and 2.45-3.15. The visits at these times have reduced which has helped office staff at these busy times. I hope you have a great summer break, I heard on a weather report recently that we have doubled our chances of having sunshine this summer! Fingers crossed!

Kind Regards,
Ms McGuinness
Headteacher

Our hopes of increasing attendance to **91%** is not looking good this week. We had been sitting at **90.7%** but we've now **dipped to 90.2%**. We need to keep increasing **NOT** decreasing! **Can we get to 91% by the end of next term? Please keep trying!!**

We are proud of ourselves and our school!

A lovely email from G15 to the participating Drumchapel Schools in the Hope Event came today:

'Thank you for your participation in the "Hope Event" which saw more than 520 people attending on the day. It was a huge success, with a couple of technical hitches, all part of the process, but also because you came on board and became actively involved in the community. Education, both formal and non-formal, is a key part of our work as community development workers. Your contribution is fundamental both for the children and for the adults who came and saw your artwork and heard your singing. We will continue to engage with you in future events, as we have been doing in the past couple of years. You are an inspiration to the whole community and a credit to Drumchapel. Have a great week, and...Keep on believin'!!!'

Take care,
Tracy, Ted & Michelle

Staffing Updates

New classes for next session have been organised, however at this time of year, as you already may be aware, we have to wait on any new teacher updates from HR. I'll hopefully get this information out to you soon.

Recently Mrs McWatt was successful at interview for the Depute Head Teacher vacancy so she will be St.Clar's DHT permanently next session.

Mr.Clancy was successful at interview for acting Principal Teacher whilst Mr. Logan is supporting another school temporarily in the role of acting Depute Head Teacher.
