Primary 1

Term 4 Newsletter

What we are learning about:

Numeracy

In Numeracy, P1 will develop their knowledge of Numbers by identifying the missing number in a sequence. They will continue to learn about Multiplication and division by skip counting in 5s and doubling numbers. This term P1 will continue to develop their knowledge of Fractions by identifying half and a quarter of a quantity. Pupils will continue to have regular opportunities to continue developing their counting skills and reading & writing numbers from 0-20 and beyond.

Literacy

In Literacy, the children will continue to develop their knowledge of sounds in the alphabet by reading, naming and blending them together to read simple words. The children will continue to develop our sight word knowledge. This term in Reading P1 will focus on developing their comprehension skills by learning to locate an answer from a text. In writing pupils will learn about the features of procedural and recount writing. Within Term 4 pupils will develop their skills in discursive talk.

Health and Wellbeing

- In PE, we are currently focusing on developing our skills within Athletics. The children will continue to develop their team building skills.

Religious Education

- We will continue the Season of Easter by looking at the events that happened after Jesus rose from the dead and the work of the Disciples. We will also celebrate the month of Mary in

Things to remember...

Words: We are learning new words every week, please continue to support your child in learning these words as they will build a good foundation for reading and writing.

PE: Our PE days are now **Tuesday** and **Wednesday**. Please ensure that your child has a full Gym kit and ensure no earrings are worn as due to health and safety they will not be able to take part.

Home Learning: Thank you for the fantastic home learning in Term 3, your work at home is having a great impact in the wonderful progress that the children have made so far! Please continue to ensure that Home Learning folders are returned to school each Friday.

Our Topic.... During this term we will be exploring Life below Water in line with Sustainable Development Goal 14. We will be learning the small actions we can take to protect our Sea, Oceans and all living things below water.
