

Miss McNulty

Primary 2/1

Term 4 Newsletter

What we are learning about:

Numeracy

Primary 1 will develop their knowledge of:

- Numbers by identifying the missing number in a sequence.
- Multiplication and division by skip counting in 5s and doubling numbers.
- Fractions by identifying half and a quarter of a quantity.

Primary 2 will develop their knowledge of:

- Multiplying and dividing by 2 and 4.
- Transformation by plotting 2 figure grid references.
- Solving missing number problems and simple equations.

Pupils will continue to have regular opportunities to continue developing their counting skills, and reading and writing numbers from 0-20 and beyond.

Literacy

Primary 1 will focus on:

Reading

- We will continue to develop our knowledge of sounds in the alphabet by reading, naming and blending them together to read simple words.
- We will continue to develop our sight word knowledge.
- This term we will also focus on developing our comprehension skills by learning to locate an answer from a text

Writing

- Children will learn about the features of procedural writing and recount, producing an independent piece on each.

Primary 2 will focus on:

Reading

- We will learn to identify if a text is fiction or non-fiction. The children will also be focusing on developing their comprehension skills by learning to locate an answer from a text.

Writing

- We will learn about the features of procedural writing to create a set of instructions, and will revisit description by describing a setting.

P1&2 Talking and Listening

- Children will develop their skills in discursive talk.

Health and Wellbeing

In PE we are currently working on developing our skills within Athletics. In class we will be looking at the theme of The World of Work, identifying our own skills and qualities and linking these to different jobs that we can do in the future.

Religious Education

We will continue the Season of Easter by looking at the events that happened after Jesus rose from the dead and the work of the Disciples. We will also celebrate the month of Mary in May.

Things to remember...

Our PE days are Monday and Friday. Please ensure that your child has a full Gym kit and is wearing no jewellery on these days or they will not be able to take part.

Home Learning: Please continue to engage with reading, phonics and Seesaw tasks to reinforce class learning. Your child should continue to bring their Home Learning folder to school with them every day.

Please share any achievements through Seesaw so that we can celebrate them in school.

Our Topic During this term we will be exploring Sustainable Development Goal 4: Quality Education. We will be looking at children's rights and although in Scotland we all receive a quality education, this is not the same across the world. We will be comparing our lives to children from developing countries and looking at action that we can take to improve the lives of others.
